

Timaru, 19 Richmond Street

Coastal Living

This home is ideal for a young family. Three bedrooms, shower over the bath and there is both a log burner and heat pump in the living area to keep the house warm. From the kitchen you can enjoy a view to the port and at night-time this would be quite special.

The generous section has plenty of room for the family to play and is very close to the park with a walking track that takes you to Caroline Bay. There is garaging for one vehicle plus additional off-street parking.
